General

Biography

Alvin Lim is a lecturer at the Faculty of Information Science and Technology (FIST), Multimedia University(MMU). He obtained a Master of Science (IT) from Multimedia University. His research interests include deep learning, computer vision, image processing, and software engineering.

Education Background

2022 – 2024: Master of Science (IT) (By Research), Multimedia University (MMU), Melaka
2019 – 2021: Bachelor of Information Technology (Hons.) Security Technology (1st Class), Multimedia University (MMU), Melaka
2017 – 2019: Diploma in Information Technology (Distinction), Multimedia University (MMU), Melaka
2012 – 2016: Sijil Pelaran Malaysia (SPM), SMK Klebang Besar, Melaka
2006 – 2011: Ujian Pencapaian Sekolah Rendah (UPSR) , SJK (C) Ek Te, Melaka

Awards and Recognition

- **2021**: MMU Book Award – Bachelor's Degree with First-Class Honours
- **2019**: MMU Book Award – Graduate Diploma with Distinction

Working Experience

Mar 2025 – Present: Lecturer, Faculty of Information Science and Technology (FIST), Multimedia University, Melaka

Nov 2024 – Feb 2025: Lecturer (Part-Time), Faculty of Information Science and Technology (FIST), Multimedia University, Melaka

Jul 2024 – Sep 2025: Associate Research Engineer, Footfallcam (Meta Research Sdn. Bhd.), Selangor

Oct 2023 – Feb 2024: Lecturer (Part-Time), Faculty of Information Science and Technology (FIST), Multimedia University, Melaka

Jan 2022 – Aug 2023: Graduate Research Assistant (GRA), Faculty of Information Science and Technology (FIST), Multimedia University, Melaka

Mar 2021 – May 2021: Research Assistant (RA), Faculty of Information Science and Technology (FIST), Multimedia University, Melaka

Mar 2019 – May 2019: IT Support (Internship), IT Jaya Sdn. Bhd., Melaka

Expertise

- Artificial Intelligence
- Deep Learning
- Image Processing
- Computer Vision
- Software Engineering
